# Attestation de provenance et de licence

Bibliothèque musicale d'AudioMix Studio · 193 enregistrements · établie le 25 octobre 2026

La société 4inte SASU, éditrice du service AudioMix Studio, atteste que chacun des **193 enregistrements musicaux** listés ci-dessous, proposés dans la bibliothèque du studio, provient du site **FreePD.com**, qui les a publiés sous la licence **Creative Commons Zero (CC0 1.0) – dédicace au domaine public**.

**Ce que permet la licence CC0 :** par cette licence, les auteurs ont renoncé à tous leurs droits sur ces enregistrements, dans toute la mesure permise par la loi. Ils peuvent être copiés, modifiés, mixés, diffusés et exploités commercialement, **sans autorisation, sans paiement et sans obligation de citer l'auteur** — notamment en musique d'attente téléphonique, en sonorisation de magasin, à la radio, dans une vidéo ou sur une plateforme en ligne.
Texte de la licence : https://creativecommons.org/publicdomain/zero/1.0/deed.fr

## Preuves de provenance

- Pour chaque titre, la colonne « Preuve » renvoie à une copie de FreePD.com conservée par **Internet Archive** (Wayback Machine), datée, sur laquelle le titre est publié sous CC0. FreePD.com a cessé son activité ; ces copies d'archive en restent la trace publique et vérifiable.
- Les fichiers distribués par AudioMix Studio sont ces enregistrements, modifiés uniquement pour harmoniser le volume (-14 LUFS) et encodés en MP3. L'empreinte SHA-1 de chaque fichier distribué est indiquée : elle permet de vérifier qu'un fichier est bien celui de la bibliothèque.
- **Musique classique :** les œuvres signalées (Saint-Saëns, Bach, Boccherini…) appartiennent au domaine public, leurs compositeurs étant décédés depuis plus de 70 ans ; les enregistrements eux-mêmes sont ceux de leurs interprètes, publiés sous CC0.

## Diffusion publique, SACEM, SCPA et SPRÉ

Les auteurs de ces enregistrements ayant renoncé à leurs droits par la licence CC0, aucune autorisation ni rémunération ne leur est due pour leur diffusion. À la connaissance de 4inte, ces titres ne figurent pas aux répertoires gérés par la SACEM (droits d'auteur), la SCPA (droits des producteurs, attente téléphonique) ou la SPRÉ (rémunération équitable, sonorisation de lieux publics). En cas de doute pour un usage précis, ces organismes peuvent être interrogés directement.

## Réclamation sur une plateforme (YouTube Content ID…)

Les systèmes automatiques peuvent signaler à tort un enregistrement libre, en particulier pour la musique classique, souvent enregistrée par ailleurs. Dans ce cas, contestez la réclamation en indiquant que le titre est publié sous CC0, en joignant cette attestation et le lien de preuve du titre concerné.

## Portée de l'attestation

Cette attestation, établie de bonne foi d'après les informations publiées par FreePD.com et archivées par Internet Archive, porte sur les enregistrements de la bibliothèque à la date indiquée. Elle ne couvre pas les fichiers importés par l'utilisateur (musiques, jingles, sons), dont il lui appartient de détenir les droits. 4inte n'est pas l'auteur de ces œuvres ; conformément à la licence CC0, elles sont fournies sans garantie autre que celle de leur provenance.

Fait à Cholet, le 25 octobre 2026
